MY PROFILE

My Profile allows you to change your Email, Address, and User ID. You can also update your phone number, security information and view User activity. The My Profile link is located on the home page User ID menu dropdown.

Click on the appropriate option to update Email, Address, User ID, Phone Number or review specific User Login Activity.

MY PROFILE – UPDATE EMAIL ADDRESS

- Click on change email address from the My Profile menu. Your current email address will display.
- Enter new email address and confirm new email address.
- Click the update button.

Change Email

Current Email: Testuser@unibank.com

New Email:

Confirm:

For security purposes, you will then receive the Identity Verification screen and choose to receive either a text or a call to verify your identity.

Identity Verification

As a security precaution, we need to verify your identity before you can proceed. This quick process helps us keep your account safe.

Please choose one of the following options.

Send me a text message

We will send you a text message with a confirmation code.

(xxx) xxx-2374

Send me a text message

Call my phone

We will call you and ask you to enter a confirmation code into your phone.

(xxx) xxx-2374

Call my phone

I can't be reached at any of these numbers

Cancel

Once you have verified your identity, you will receive a confirmation message that your email address has been updated.

Successfully Updated the Email Address

MY PROFILE – UPDATE ADDRESS

- Click on change address from the My Profile menu. Your current address will display.
- Enter new address.
- Click the update button.

Address Change Module

Once you have verified your identity, you will receive a confirmation message that your phone number has been updated.

MY PROFILE – CHANGE USER ID

- Click on change User ID in the My Profile menu. Your current User ID will display.
- Enter New User ID and Confirm User ID.
- Click the update button.

Change User ID

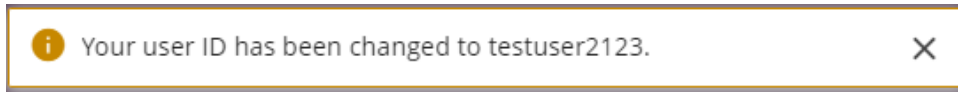

Your user ID and password are used to log in to this site. This page allows you to change your user ID. Your user ID must be between 6 and 26 characters in length and may be made up of both letters and numerals. Special Characters cannot be used when creating a new User ID. Your user ID is not case sensitive.

Existing User ID: testuser789

New User ID:

Confirm User ID:

You will receive a confirmation message that your User ID has been changed.

MY PROFILE – CHANGE PASSWORD

- Click on Change Password My Profile menu.
- Enter your current password.
- Enter new password and confirm new password.
- Click the update button.

Change Password

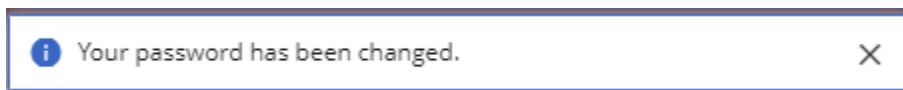

Passwords must contain at least three of the following four items: lowercase letters (a-z), uppercase letters (A-Z), digits (0-9), symbols `~!@#\$%^&*()_+=\{}|:;?/,.) and must be between 8 and 22 characters. You cannot use prior (5) passwords and should make your password as random as possible.

Current Password:

New Password:

Confirm Password:

You will receive a confirmation message that your Password has been changed.

MY PROFILE – CHANGE SECURITY INFORMATION

- Click on Change Security Information My Profile menu.
- Choose your security questions.
- Enter new answers.
- Click the update button.

Security Questions

For your protection, you can establish new security questions and answers. Just like changing your password frequently, changing your security questions and answers helps to ensure the security of your accounts.

As a reminder, if we note unusual activity concerning your account, we will ask some of the questions below to verify your identify and maintain the security of your account. If you share this account with someone else, please make sure to share your updated questions and answers with them as well.

For your protection, from time to time we will ask you to establish new security questions and answers. Just like changing your password frequently, this quick process helps to ensure the security of your accounts.

Enter necessary User Details.

Click on Save.

After saving user details, entitlements can be selected. Depending on the type of access you wish to give the user, click on the box next to the specific access which will expand entitlement options.

Entitlements:

If you want to enable Administrator access for the new user, check off the *Manager Users* box.

Important: Administrators can Add, Edit and Delete other users.

Copy Entitlements

Please select a user you want to copy the entitlements from below.

Entitlements will be copied from User ID: **user** to User ID: **test44**.

ACH and/or Wire access can be added to new users only if it is an existing function for the organization. To add ACH and/or Wire access or increase your limits, contact your Relationship Manager.

Please Note: When assigning entitlements for ACH and/or Wires, limits may be set equal to or lower than the current established limits.

After you have assigned ACH or Wire access to a user, please contact your relationship manager or support team to request an RSA Token.
